

How to Default Samsung Printer after Refill?

Method 1

- 1) Press the keys in quick succession “*Menu#1934*” till a message appear as “*TECH*”.
- 2) Select the menu key followed by “*Enter*”. The display will show “*TECH Mode*”.
- 3) Click “<” twice and you will see “*New Printer Cartridge*”. Select “*Enter*” and the printer will show “*Yes*” press “*Enter*”.
- 4) Later exist using “*Menu#1934*”.

Method 2

(Quoted) I'm assuming you set the print options from within an application, in this case, the settings are not saved.

If you right-click the printer and select '**properties**' (enter from Control Panel printers and Faxes) change settings and click **OK**, this should change the defaults. However, this may vary from printer to printer - not sure. (Unquote)
